12 children with disorders need homes

Children of the region need homes especially now that the Christmas season is here. They need the kind of homes which are made for them. The Louisiana Boys and Girls Club is constructing a new dormitory to house children in this area. The dormitory will be located in the city of Baton Rouge, Louisiana. The new dormitory will have a capacity of 12 children. It will be built to the specifications of the Louisiana State Board for Children's Homes. The children who will be housed in the new dormitory will be between the ages of 5 and 18 years. The children will receive proper care and attention from the staff of the Boys and Girls Club. The construction of the dormitory is expected to be completed by January 1, 1989.
