Reports cite significant improvement at Feliciana Forensic Facility

The Feliciana Forensic Facility, which is under construction in Plaquemine, La., recently received a significant boost in its development. According to sources, the facility is expected to be operational by the end of the year, providing a much-needed resource for forensic analysis in the region.

Baker man now facing 100 years imprisonment

A Baker man who was convicted of armed robbery and armed carjacking was sentenced to 100 years in prison. Thirty-eight-year-old James Smith was convicted in August and sentenced on Monday. He faces a mandatory minimum sentence of 55 years, with a maximum of 20 years for each count. Smith was also ordered to pay restitution to the victims.

HUD lauds use of grant for crawfish export firm

The Housing and Urban Development Department has praised a local crawfish export firm for using grant funds to expand its business. The firm, which produces crawfish for export to Japan, has received a grant to upgrade its facilities and increase its production capacity. The grant is expected to create new jobs and boost the local economy.

Rollins operation in N.J. fined $1.95 million in waste case

The New Jersey-based Rollins Inc. has been fined $1.95 million for violating waste disposal laws. The company was found to have improperly disposed of hazardous waste at one of its facilities in New Jersey. The fine is the largest ever imposed by the New Jersey Department of Environmental Protection.
